Re: Tax Deductibility of Attorneys' Fees Paid in 20_____

Dear _____:

Pursuant to your request, I have reviewed my ledgers and file to determine what portion of the time rendered and fees paid in 20___ can be fairly allocated to an ordinary business expense, expense for the production or collection of income, an expense for the conservation of income producing property or a fee paid for tax advice.

During the 20_____ tax year, you have paid to (Firm Name) the sum of \$_____ for attorneys' fees and costs advanced. The amount deductible for attorneys' fees and costs equals \$_____. This information will assist towards the filing of your 20_____ income tax return.

If you need further information regarding the figures submitted, please do not hesitate to contact me.

Sincerely,
